Sey to the Honble the Resident in Mysore forwarding Madras Govt's
letter in the matter of exempting certain Madras Govt. Officers
from payment of Mysore taxes & tolls for traversing the
Mysore portion of the More Bellary road in Chitaldrug Dist.

The letter with the sketch is for favour of
perusal. It will be seen from the letter of the Govt
of Madras & the sketch forwarded that exemption
from payment of Mysore taxes & tolls is requested for
in respect of two roads lying in Mysore territory
in Chitaldrug Dist: Viz.

a) portion of the More Bellary road from
~~its junction~~ its junction with Rayadurg Kudligi road
and

b) portion of the Rayadurg Kudligi road
lying in Mysore territory in Chitaldrug Dist

Grant of exemption in respect of (a) would
facilitate ^{+ Local Board} Govt / Servants of Bellary to take a short
route to Kudligi from Bellary; and exemption in
regard to (b) would ^{direct} enable communication
between Rayadurg & Kudligi.

The Govt of Madras (through
the Residency)

6

The Madras Government (through the Residency) have
requested for exemption from Mysore taxes and tolls in --
respect of vehicles used on duty by Government and Local
Board servants of the Bellary District on the following
two roads:-

- (1) The portion of the Bellary-Bangalore road
lying within the Mysore territory from
its junction with the Rayadrug-Kudligi
road to the Bellary frontier;
- (2) The portion of the Rayadrug-Kudligi road
lying within the Mysore territory.

Serial
No.

7 It is stated that if the concession is granted, a list of Government and Local Board servants in the District who find it necessary to use the stretches of roads in question on duty, will be sent to the Mysore Government by the District Magistrate, Bellary, by a fixed date every year; and the Mysore Government may then grant an annual pass for each official. It is further stated that the Madras Government will be agreeable to accord reciprocal treatment if the Mysore Government decide to suggest any.

8 We have had a number of such reciprocal arrangements with the Madras Government. In the circumstances now stated, the exemption asked for in respect of the two bits of the roads above-mentioned may be granted and the Residency intimated accordingly.

9 It is, however, to be noted that as stated by the Madras Government, there is no possibility of any reciprocal arrangement in respect of these roads, which would be of advantage to our Officers. In this connection, the Engineer of Mysore and the Deputy Commissioner, Mysore District, have brought to notice that, in the case of the following bits of Madras roads through which Mysore Officers will have to pass on duty, exemption from payment of taxes may be obtained:-

- 1 (a). 7½ miles of Mugar-Kollegal road,
(b). ½ mile of road between Mamballi and Uttamballi; and
2. 2 bits of road comprising one mile of T.Narsipur-Kollegal road.

The Executive Engineer, Mysore Division, reports that the independent road from Mugur to Mamballi via Santhemarahalli and Velandur is nearly 17½ miles and that the two bits of road on the T. Narsipur-Kollegal road connect the points inside the State Boundary.

We may perhaps request the Madras Government to grant exemption in respect of these roads for Officers of Government and of Local Bodies, who have to use these roads on duty.

Motor vehicles - Taxation - Reciprocal arrangement
with Mysore State - Vehicles using Mysore roads
exemption. ---

I am directed to say that in the following two instances inspecting officers in the Bellary District have to pass through the Mysore State territory if they are to travel by the shortest route. The direct journey from Bellary to Rayapuram tank works is only 30 miles if Mysore territory is traversed, but if the journey is confined to British territory it exceeds more than 100 miles, the last 8 miles being over cart tracks. Secondly, the direct journey from Rayacrug to Kudligi also necessitates travel through the Mysore territory.

It is reported that inspecting officers have to take out a temporary licence as well as pay a toll of Re.1/- every time they pass through Mysore territory. In order to avoid this expense and inconvenience, the Madras Government would be grateful if you would be so good as to move the Mysore Government to exempt from Mysore taxes and tolls vehicles used on duty by Government and Local Board servants of the Bellary District on the two following roads:

(a) the portion of the Bellary - Bangalore road lying within the Mysore territory from its junction with the Rayacrug - Kudligi road to the Bellary frontier, and

(b) the portion of the Rayacrug - Kudligi road lying within the Mysore territory.

A sketch of the roads is enclosed for reference and return.

I am in this connection to invite attention to the correspondence ending with your letters R.F.No.285-40/Pol, dated 18th June 1940 and No.D.F.37-41/Judl dated 16th September 1942 in which certain reciprocal arrangements have been made between the Madras and Mysore Governments in the matter of taxation of motor vehicles using similar short stretches of roads on the Madras-Mysore frontier.

If the Mysore Government agree to grant the concession, a list of Madras Local Board and Government servants in Bellary District who find it necessary while on duty to use the stretches of road in question will be sent by the District

Magistrate,

Magistrate, Bellary to the Mysore Government, after consulting the district officers of other department and the President, District Board, Bellary. The list will be sent by a fixed date every year, say 1st February. The Mysore Government can then send to District Magistrate an annual pass for each official (by designation) purporting to grant exemption from Mysore tax and tolls and showing through what toll gates he is entitled to pass free.

The Madras Government will be glad to accord reciprocal treatment if the Mysore Government desire suggest it although the Madras Government realise that there is no particular advantage to be gained by the Mysore Government and their officers from reciprocal treatment in respect of these particular roads.
